## EVERY THURSDAY (06 June - 03. October 2019)

A superlative loop walking tour. The hiking taxi takes us from Niederthai into Horlachtal valley. On lush Alpine meadows, where happy sheep find the best herbs, we easy walk up to Finstertal alpine pasture, then along a sometimes quite demanding hiking trail to the mystical and untouched Peistakogl peak. Herer we enjoy a unique view into Horlachtal vally and Ötztaler Alps. After a lovely rest on the summit we hike towards Gruesee lake. We can take a closer look at the glacier crowfoot, the stemless campion and even mountain orchids. Scenic Bergmahderweg Trail leads us again towards the enchanting landscape around Niederthai. Marvel-enjoy-recharge your batteries ...
